Jacksonville, June 13, 1880

Dear Sir — Your postal card addressed to my son A. H. Curtis, was rec'd yesterday, & as he instructed me to receive and note the contents of all letters addressed to him during his absence, I would say that both you and Dr Gray can send remittances in letters addressed to A. H. Curtis, Tallahassee Florida, Jacksonville, and it will be all right. If you choose you may please turn the check of $18.00 made payable to me — as I may need to use it. His last letter to me was dated May 28. He was at Key Biscayne & having great success

Respectfully, Mrs. H. A. Curtis
